

WOODBURY ★ MARINA ★

ABOUT THE MARINA

The Jones family has been renting boats on Kootenay Lake since 1951. Fred Jones and family started Kaslo Marine Service and Motel in Kaslo Bay, and had 20 rowboats and 5 ½ HP outboards as an option. Boats rented for \$5.00 a day and \$10.00 with a motor!

Today the fleet has changed a lot. Woodbury Marina offers classic Starcrafts, Kingfishers, a Questar, and new 10' wide Pontoons, all powered with 4 stroke Yamaha's.

For 2025 we have kept our prices affordable to make it easier for families to once more enjoy the magic of Kootenay Lake.
